"Our dealing with MKIG spans the best part of 4 decades and 2 generations of our family. We have always valued their knowledge and expertise in ensuring the correct level of cover and achieving a competitive price. You have always given a high level of service and importantly stood by us when a claim arose. No one should compromise when it comes to insurance"

"We have exclusively used your service since 1974 for all our insurance and allied requirements. You have always provided a personalized, easily accessible and reliable service to our company through the whole period. During this time we have been courted, canvassed and quoted by many other agencies but always felt that what we have from you was not worth the risk of losing"

Gerry McDonagh,

"If I can just sway to you and all your staff that in my 25 years being in business I have found your Company to be a 100% efficient in giving the right advice and most courteous. If only a lot of other firms could adopt the same it would be great"
