Whilst we seek to place insurance contracts with undertakings which are financially secure we cannot guarantee the solvency or continued solvency of any insurance undertaking used. Clients should be aware that the financial position of an insurance undertaking can change after cover has been incepted. For the purposes of this document insurance contracts shall mean all General Insurance, life, pensions and investments.

Non-Life General Insurance

MKIG can provide advice on and arrange products for a wide range of Business and Personal Insurances. MKIG provides general insurance on a fair and personal analysis basis i.e providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable the firm to make a recommendation, in accordance with our knowledge and experience of the insurance market.

In respect of certain products we offer scheme rated facilities and operate on a limited analysis of the market basis details of which are available on request. In these cases we do not research the market for every contract and we do carry out periodic reviews of the market to ensure cover and benefits are in the clients best interest.

We will also offer assistance to you in relation to processing claims on policies taken out with us and in seeking renewal terms on your cover.

Life & Pensions and Investments

MKIG provides life assurance and pensions on a fair analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable the firm to make a recommendation, in accordance with our knowledge and experience of the insurance market.

We will provide assistance to you for any queries you may have in relation to the policy or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover.

We are members of the Investor Compensation Scheme operated by the Investor Compensation Company Ltd.

The Investor Compensation Act, 1998 provides for the establishment of a compensation scheme and the payment, in certain circumstances, of compensation to certain clients (known as eligible investors) of authorised investment firms, as defined in that Act.

The Investor Compensation Company Ltd. (ICCL) was established under the 1998 Act to operate such a compensation scheme and our firm is a member of this scheme.

Compensation may be payable where money or investment instruments owed or belonging to clients and held, administered or managed by the firm cannot be returned to those clients for the time being and where there is no reasonably foreseeable opportunity of the firm being able to do so.

A right to compensation will arise only:

- If the client is an eligible investor as defined in the Act; and
- If it transpires that the firm is not in a position to return client money or investment instruments owned or belonging to the clients of the firm; and
- To the extent that the client's loss is recognised for the purposes of the Act.

lesser of:

Further details are available on request.

Consumer Insurance Contract Act 2019

Following the commencement of the Consumer Insurance Contract Act 2019 which was implemented to protect consumers. There is important information that you should be aware of and we are bringing to your attention. There are obligations on you as the consumer and duties that you must fulfil at the various stages of the process of arranging and renewing your Insurance policy.

So please read the following information very carefully and if you have any questions please ask a member of our staff.

New Business & Renewal

A consumer may cancel a contract of insurance, by giving notice in writing to the insurer, within 14 days after the date the consumer was informed that the contract is concluded. The insurer cannot impose any costs on the consumer other than the cost of the premium for the period of cover. (This does not affect notice periods already in place, i.e. 30 days in respect of life policies and 14 days in respect of general policies under respective pieces of legislation).

The consumer is under a duty to pay their premium within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

A court of competent jurisdiction can reduce the pay-out to the consumer where they are in breach of their duties under the Act, in proportion to the breach involved.

Post-Contract Stage and Claims

If, in respect of the insurance contract the insurer is not obliged to pay the full claim settlement amount until any repair, replacement or reinstatement work has been completed and specified documents for the work have been furnished to the insurer, the claim settlement deferment amount cannot exceed

- o 5% of the claim settlement amount where the claim settlement amount is less than €40,000, or
- o 10% of the claim settlement amount where the claim settlement amount is more than €40,000.

An insurer may refuse a claim made by a consumer under a contract of insurance where there is a change in the risk insured, including as described in an “alteration of risk” clause, and the circumstances have so changed that it has effectively changed the risk to one which the insurer has not agreed to cover.

Any clause in a contract of insurance that refers to a “material change” will be interpreted as being a change that takes the risk outside what was in the reasonable contemplation of the contracting parties when the contract was concluded.

The consumer must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest and reasonably careful manner and must notify the insurer of the occurrence of an insured event in a reasonable time.

The consumer must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

If the consumer becomes aware after a claim is made of information that would either support or prejudice the claim, they are under a duty to disclose it. (The insurer is under the same duty).

If the consumer makes a false or misleading claim in any material respect (and knows it to be false or misleading or consciously disregards whether it is) the insurer is entitled to refuse to pay and to terminate the contract.

Where an insurer becomes aware that a consumer has made a fraudulent claim, they must notify the consumer advising that they are avoiding the contract of insurance. It will be treated as being terminated from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim made after the date of the fraudulent act, and the insurer is under no obligation to return any of the premiums paid under the contract.
